St. Bernard Parish School System Attendance Policy

Every parent, tutor, or other person residing within the state of Louisiana, having charge of any child from that child's seventh birthday until his eighteenth birthday, shall send such child to a public or private school, unless the child graduates from high school prior to his eighteenth birthday. Any child below the age of seven who legally enrolls in school shall also be subject to the provisions of these statutes.

The parent (legal guardian) of a student shall enforce the attendance of the student at the school to which the student is assigned.

HABITUAL ABSENCES AND TRUANCY

A student shall be habitually absent or habitually tardy after the fifth (5th) unexcused absence or fifth (5th) unexcused occurrence of being tardy within any school semester and when either condition continues to exist after all reasonable efforts by any school personnel, truancy officer, or other law enforcement personnel have failed to correct the condition.

Any student who is a juvenile and who is habitually absent from school or is habitually tardy shall be reported by the Supervisor of Child Welfare and Attendance to the juvenile court of St. Bernard Parish as a truant child there to be dealt with in such manner as the court may determine such as being fined, performance of community service, and/or incarceration.

PENALTY- THE PARENT (LEGAL GUARDIAN) CAN BE CHARGED UP TO \$15.00 PER DAY FOR EACH DAY THE CHILD DOESN'T ATTEND SCHOOL AND MAY BE REQUIRED TO PERFORM COMMUNITY SERVICE.

Under the truancy laws, a parent (legal guardian) may be summoned to Court to answer a charge of contempt if:

1. He fails to send his child to school as required by law. (Excessive absences without a valid reason are grounds for contempt.)
2. He fails to attend a required conference before the child can reenter school after a school suspension. If a parent (legal guardian) is found in contempt, the penalties for truancy as stated above may be imposed by the Courts.

STUDENTS NOT ELIGIBLE TO RECEIVE CREDIT (NE) FOR COURSE WORK DUE TO UNEXCUSED/EXCESSIVE ABSENTEEISM

In order to be eligible to receive grades (credit)

These exempted absences do not apply in determining whether a student meets the minimum minutes of instruction required to receive credit. These extenuating circumstances which are listed in the Louisiana Handbook for School Administrators – Bulletin 741, Section 1103 (J-M) can be found on page 7-8 of the Guide to Student Conduct.

Parental Consent Form for Universal Social, Emotional and Behavioral Screener

All students enrolled in public schools in Louisiana are afforded protection of student records under the Family Education Right to Privacy Act (FERPA) and La. R.S. 17:3914. Every public school district is required to implement processes to protect the privacy of personally identifiable student information and restrict sharing of that information. LEAs are only able to share personally identifiable information about students with others as long as the data sharing meets one of the law's limited exceptions as described in the Policy Guidance. In accordance with the legislation, LEAs: (1) are prohibited from requiring the collection of non-academic data about students such as political affiliation and religious practices; (2) are permitted to share personally identifiable information under specific circumstances (e.g. LEA officials with a legitimate educational interest; Specified officials for audit or evaluation purposes; to appropriate officials in cases of health and safety emergencies.); (3) are prohibited from allowing anyone to access student information that is stored by schools or LEAs except authorized stakeholders such as parents, teachers, principals, superintendents, or a person authorized by the state to audit student records

Louisiana School Well-Being Support Services

All Louisiana schools have been asked to administer a universal social, emotional and behavioral screener to all students in order to assess the impact, if any, of the COVID-19 pandemic on the well-being of students and to provide appropriate interventions and referral to external services. Universal social, emotional and behavioral screeners are informational and not diagnostic. The data that will be collected will include screening results and personal information, such as age, gender, and race/ethnicity. All information will be kept confidential and in accordance with student safeguards defined by the Family Educational Rights and Privacy Act (FERPA) and LA Revised Statute 17:3914. Your permission is required, pursuant to the Protection of Pupil Rights Amendment (PPRA), to begin the screening process (see attached Permission page). You also have the right to inspect, upon request, the screening instrument and any questionnaires before they are administered or distributed to your child. You may choose to allow your child to be administered a screener or not and may choose to withdraw your permission at any time. For the purposes of administering a universal social, emotional and behavioral screener, data collection is defined as questionnaires, interviews with your child's teachers or other educators, and direct observations in the classroom or other school setting. Your agreement to participate or your refusal to participate in the screening and/or data collection will in no way impact the services your child receives at school.

As part of the universal social, emotional and behavioral screening and referral process, your child might be asked to complete questionnaires and interviews by qualified professionals, or the school staff will complete a screener to identify any potential social, emotional or behavioral issues. If social, emotional or behavioral needs are identified, you will be notified by the school. You must give informed written permission before your child may be provided social, emotional or behavioral services at the school. If necessary, the school will also link you and your child to external behavioral health services in the area.

If your child is involved in the criminal justice system, the court may require us to report to it about his/her participation or progress with consequences if he/she does not follow the court requirement. These risks will be minimized by providing a person for your child to talk to if he/she becomes uncomfortable or experiences any negative consequences from being administered a screener. If you do not wish for your child to continue being supported with social, emotional and behavioral services, you have the right to withdraw him/her from the services without penalty, at any time.

Initial Notice and Consent Regarding Medicaid Reimbursement | 2022-2023

(Required for Students Who Are Eligible to Receive Medicaid Services)

Schools in Louisiana have been approved to receive partial reimbursement from Louisiana Medicaid for the cost of certain health-related services provided by the district to your child. In order for your child's school to get back some of the money spent on services, the school district needs to share with Louisiana Medicaid the following types of information about your child: name; date of birth; gender; type of services provided, when and by whom; diagnosis (if any) and Louisiana Medicaid ID. If your child is eligible to receive services to meet his/her needs, the services may be provided by the school system and/or you may take your child to another provider that accepts Medicaid.

With your permission, the school district will be able to seek partial reimbursement for services provided by Louisiana Medicaid including, among others, a hearing test or eye exam; occupational or speech or physical therapy; some school nurse visits; and counseling services. Each year, the district will provide you with notification regarding your permission; you do not need to sign a form every year.

The school district cannot share information about your child with Louisiana Medicaid without your permission. As you consider giving permission, please be advised of the following:

1. The school district cannot require you to sign up for Louisiana Medicaid in order for your child to receive the health related and/or special education services to which your child is entitled.
2. The school district cannot require you to pay anything towards the cost of your child's health-related and/or special education services.
3. If you give the school district permission to share information with and request reimbursement from Louisiana Medicaid:
 - a. This will not affect your child's available lifetime coverage or other Louisiana Medicaid; nor will it in any way limit your own family's use of Louisiana Medicaid benefits outside of school.
 - b. Your permission will not affect your child's special education services or IEP rights in any way, if your child is eligible to receive them.
 - c. Your permission will not lead to any changes in your child's Louisiana Medicaid rights; and
 - d. Your permission will not lead to any risk of losing eligibility for other Medicaid funded programs.
4. If you give permission, you have the right to change your mind and withdraw your permission at any time.
5. If you withdraw your permission or refuse to allow the school district to share your child's records and information with Louisiana Medicaid for the purpose of seeking reimbursement for the cost of services, the school district will continue to be responsible for providing your child with the services, at no cost to you.

I have read the notice and understand it. Any questions I had were answered. I give permission for the school district to share with Louisiana Department of Health (LDH) records and information concerning my child and their health-related services, as necessary. I understand that this will help my child's school seek partial reimbursement for Louisiana Medicaid covered services.
