| survive | to stay alive |
| route | the path that you take |
| dull | boring; not exciting |
| brave | people who show courage |
| honored | give praise or rewards |
| record | to write down information |

Dear Parents,

Attached you will find all of our listening and learning words for the ENTIRE year. Please use this as a study guide for our students. Please keep this document in a safe place at home.

For the test, students will listen to the teacher read a sentence using one of the words at a time. The student needs to be able to determine if the word is used correctly (happy face) or if the words is used incorrectly (sad face).

An example of this is:

Satisfied

The dog was very satisfied with a small meal.

The student will listen to the teacher read this using the word satisfied and then color in the sad face.

Please review the current domain with your child nightly. Together, we can ensure that your child is successful in first grade.

Thanks for all of your hard work,

The first grade teachers
